“ *My deepest sympathy to the family and friends of Tom. I was given the opportunity to have a business relationship with Tom over 20 years ago. Even though our first relationship was business, I felt that it became more of a mutual friendship which I so appreciated. When Tom came into my office or I came to the farm, I was always met with a smile. I will greatly miss Tom and may his family know how good of a man he was to myself and my staff. He will be missed but not forgotten!*

“ I would like express my sympathy at this time of deep grief. Tom was a great guy! We always would share laugh or a little teasing everytime we met. Come to think of it now it was usually at some type of auction. I could always count on some fresh "insight" on the markets or weather or something related to farming. Men like Tom don't cross our paths every day, so that is why their passing hurts so bad! Your family is in our thoughts and prayers. Tom Novak, Highland
