“ Just want to let you know how much we have enjoyed watching your dad over the years as he came to St. Joseph's and worked with Father Kalshuer and he and his family came part of our parish. I know you do not know me but I as a member of the church watched as he and his family grew and most of all had such a respect for our Lord in the Eucharist. I will try and have a mass said for him soon at St. Joseph's church.
