“ I have such fond memories of visiting the Herkis household to visit the triplets and their Mom Audrey. My Mom, Maureen (Byrnes) Chekouras was her cousin on the Clippert side of our family. They truly cared for each other and handed down their loving demeanor to their children. God bless you all. I will be donating in Tori's name to the local cancer society as the family suggested.

“ It's difficult to put into words what Tori meant to me and everyone else who knew her. She was a friend to everyone and made it her mission to be sure every person who walked into the bank felt special. Tori touched the hearts of an entire community and blessed us everyday with her presence. Going to the bank was never so much fun until Tori came along. Then when the dynamic duo of Tori and Paula came to be, going to the bank became something I really looked forward to. I often spent way more time there than necessary and more than once my Tim, teasingly, called and asked the girls to send me back to work! I miss those days terribly already. I could go on forever with positive adjectives to describe our Tori but everyone who knew her knows even all those words would not do her justice. She was that special. Tori was an angel on earth and is now an angel in heaven. I can only pray that someday I will be worthy enough to see her again.
Fly to Jesus and live Tori! Love you and miss you.

Heaven truly has gained an angel. I enjoyed working with Tori for several years at Blackhawk Bank in Beloit. She was a joy to work with and loved by both the staff and customers. I grieve with her family at this difficult time, but I know the arms of our Lord are holding her close. My thoughts and prayers are with all of you. God's Blessings.
