“ My deepest sympathy to George and the entire Borne family. I so wish I could be there in person to celebrate Vicki's life and reminisce. As the obituary stated beautifully, she had a heart of gold. I never heard Vicki make one negative comment about anyone. She always saw the good in everyone. I never heard Vicki raise her voice and as you know, we gave her plenty of opportunity to scream! I can still hear her calm tone and sincere loving voice in my thoughts. I am so very happy I was able to see her and many of you this past summer. Knowing I was able to give her a hug and kiss and tell her how much I admired her makes her passing easier on my heart. Please know I am with you in my thoughts and prayers. My love to each and every one of you! Janel
