“ hey its makenna, i know its been almost 5 years since you passed but it feels like yesterday where i cried in my mom's arms and didn't eat for two days because i was so sad. every single day i miss your voice, your laugh, your hugs, your blue eyeshadow, and so much more. one of the best memories i had with you (but it was also a terrible one lol) i'll never forget the time where we got cookies and all the sudden i chipped my tooth on it! luckily i was able to get it filled. you taught me how to put on mascara and eyeshadow, now i love wearing makeup because of you! i miss you so much vickie, i love you so so much.
