“ *So glad to have known Bracken! Luckily, we met the Johnstons on a trip to Mineral Point back in 2010. This was a genealogical journey that was fun and interesting, as well as highly informative. Bracken filled in the gaps to help round out our mutual family tree! He will be greatly missed by all who appreciated his knowledge, humor, kindness and generosity.*

“ I remember as a kid, we would always go up to see Charles and Bracken, and usually Dorothy too, they were the fix it guys for my dad, or just a good visit . In the last 20 years or so Charles had figured out just how we were related, I knew we were related on the Johnston side, and Grama Marietta and Dorothy were best friends, but later found out they were cousins. I have enjoyed knowing you my friend..peace to you and God's love to all your family.
